FULL DAY ISTANBUL CITY TOUR & BOAT TRIP & DINNER

After breakfast leave the hotel for the Istanbul city tour.

We will first visit the Sultanahmet Square where the most important events of the Byzantium and Turkish history took place during thousands of years of the rich history of the nations. For us, this square has a special importance with its museums, mosques, Byzantium cisterns and Hippodrome with important historical buildings. We will visit the 17-century-old distinguished Hagia Sophia museum, which is one of the most important places in the World's cultural history. In the time it was built there was no other building like it, which was made by human hands. At the opening ceremony of the basilica Justinian shouted, "I have outdone you Solomon!" We will have a lunch at the Konyali restaurant that is located in the Topkapi Palace where the Ottoman Empire reigned for centuries with their sultans, viziers, janissaries and harem. After lunch we will visit the palace museum (except for the Harem).

We will take you to the pier where our Bosphorus tour will begin.

Our tour will start from Eminönü till Tarabya and it takes approximately 2 hours. Our route is

Here are the sights you'll see (including **six Ottoman palaces**), divided into two parts, the Southern Bosphorus (from the Golden Horn and city center to the Bosphorus Bridge) and the Northern Bosphorus, (from the Bosphorus Bridge to the Black Sea):

Southern Bosphorus

The most impressive sights are along the southern shores of the Bosphorus, nearest to the city: Topkapi Palace, the mid-Bosphorus Maiden's Tower, the Selimiye Barracks (where Florence Nightingale worked), Dolmabahçe Palace, Çiragan Palace, Yildiz Park & Palace, the chic art-boutique-and-café scene in the village of Ortaköy, the pretty Ottoman baroque Mecidiye Mosque, and the Bosphorus Bridge. More...

Northern Bosphorus

Beyond the Bosphorus Bridge there's plenty more to see: Beylerbeyi Palace, the village of Çengelköy, Kuleli Naval Academy, Arnavutköy with its photogenic Ottoman yalis (wooden Bosphorus seaside mansions), Rumeli Hisari (the mighty Fortress of Europe), the town of Bebek with its pretty bay, and Bosphorus University.

North of the Fatih Bridge, second to be built across the Bosphorus, is Anadolu Hisari (the Fortress of Anatolia), Küçüksu Kasri (a fine little rococo palace), the Hidiv Kasri (fine Art Nouveau villa (1900) of the Khedive of Egypt), the pretty restaurant village of Tarabya, the town of Büyükdere (with its excellent Sadberk Hanim Museum), and we finish our boat tour.

After the boat tour, we will have our dinner in a typical Bosphorus fish restaurant. After dinner transfer to hotel.
